STAR LEARNERS

This week's Star Learners are Jack, Mrs Yelland, Cameron, Moses, Connie, Thomas, Rhianna, Riannon and Chloe. Thank you for your commitment to be successful learners.

NETBALL CHAMPIONS!

Yesterday was the St Austell District Netball Competition. I am delighted to report that following a semi-final match against St. Mewan and the final against Carclaze Pondhu are the area champions. The team played extremely well and thanks to Mrs Horner for coaching this team.

SPORTS RELIEF

A really big thank you for all the donations received so far. The current total is in the region of £750, I will be able to confirm the final amount at the beginning of next term.

MRS YELLAND

Today the children and staff said goodbye to Mrs Yelland. Mrs Yelland has worked at Pondhu for sixteen years and many children have benefitted from her caring, calm and encouraging approach. I would like to thank her for all she has done for Pondhu and wish her every success in the future.

SUMDOG COMPETITION

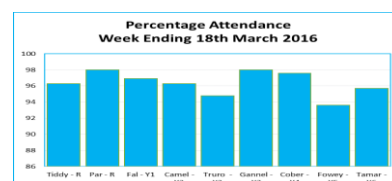

Year 6 are currently in first place in the Sumdog County Maths competition. The final result will be announced tomorrow evening. Well done to all the children who have worked incredibly hard completing maths challenges in their own time. The highest individual score in the county at this time belongs to Madison B – well done Madison!

CHEMISTRY AT WORK

Yesterday Key Stage 2 took part in a Chemistry at Work day. The children completed a range of activities and experiments with a range of visiting professionals. There was a real buzz of excited learning and the children were complimented on their excellent attitudes and abilities to work as a team.

ATTENDANCE

Well done to River Par (Reception) and Year 3 River Gannel; both classes achieved 98% attendance last week.

On behalf of the Governors and staff I wish you all a happy and healthy Easter holiday. School starts again on Monday 11th April.
