SCHOOL UNIFORM POLICY

Aim

The school policy sets out to encourage a sense of identification with and belonging to the school. This is in line with the UN Convention of the Rights of the child Article 15 that states every child has the right to belong to organisations.

We ask for the co-operation of parents to ensure that pupils are suitably dressed and thus represent the school and themselves appropriately. The uniform guidance is clear and the uniform itself is intended to be both practical and smart. Most of the uniform is generally available and specific items such as school sweatshirt and book bag are available from the school office. Please put your child's name on all uniform and kit. Eligible families may use their Pupil Premium personal budgets to purchase uniform. This is in line with Article 26 of the UNCRC which says Governments must provide extra money for children of families in need.
