HEALTHY SCHOOLS AWARD

I am delighted to report that our school has recently been awarded Healthy School status. This award recognises the high quality of care, guidance and support the school provides for our pupils. A big thank you to Mrs Carter who led the staff team in completing the audit required as part of the award preparation. It is a credit to Mrs Carter and the team that Pondhu School has been asked to present our 'exemplary work' at the forthcoming Cornwall Healthy Schools Awards.
