Summer Term 2021 YEAR 5

This term our topic is...

The Kingdom of Benin

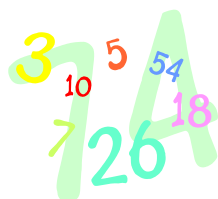

Y5 SUMMER CURRICULUM

ENGLISH

We have already started our discussion texts on whether children should have more homework and how much children should be limited in the amount of screen time they have. Later in the term we will be writing fables, persuasive letters, and explanation reports. Throughout the term we will also be working on our knowledge of spellings, punctuation and grammar.

MATHS

This term we will be covering some geometry focusing on properties of shape and positions and directions. We will be looking at converting between measurements and time as well as exploring volume.

Further Information:

HOMEWORK: Is to be given out on a Friday and expected back in on the following Tuesday.

SPELLINGS: will be given out on a Friday. The spellings will be tested the following Friday.

READING: It is very important that your child reads regularly at home. Ten or fifteen minutes reading a day is a good target to set for your child.

Finally please ensure your child has named P.E kit in school at all times.

Thank you, Mrs Horner and Mr Dawes
