#### Further information:

**HOMEWORK:** Is to be handed out on a Thursday and expected back in on the following Tuesday.

Homework is an important part of your child's schoolwork. It reinforces the work that your child has been doing at school and gives us an indication of your child's understanding. You are very welcome to support your child with their homework but please let us know if they are struggling and may need further learning.

**SPELLINGS:** will be sent out on a Thursday and tested the following Friday.

**READING:** As well as these homework tasks, it is very important that your child reads regularly at home. Ten or fifteen minutes reading a day is a good target to set for your child. We expect that your child reads at home at least five times per week as part of their homework. As a reward for five reads at home they will receive a raffle ticket to go into a draw with the chance to win a book voucher each term.

Finally please ensure your child has a named P.E kit in school at all times. Thank you.
